

COUNTY CORRESPONDENCE.

RURAL ROUTE NO. 3.

Miss Nellie Harrelson will be home from St. Louis this week.

Born, June 10th, to the wife of G. W. Sutherland, a daughter.

Mrs. J. R. Rudy made a business trip to St. Louis about a week ago.

Mrs. Robert Horton had a fine brood mare killed by lightning last Sunday.

Mrs. Patterson of Winona, Shannon county, is visiting her aunt, Mrs. Annie Veager.

The farmers are busy harvesting wheat, which promises a fair yield and a fine quality.

J. C. Laws was down from St. Louis visiting relatives and friends about Chestnut Ridge.

The corn crop is not as promising as it might be on account of our farmers having a poor stand.

Miss Margerie Harrelson is expected home about the first week in August from Ignacia, Cal., for a month's vacation.

From some cause, which you write is unable to understand, the apple trees are shedding vast quantities of their fruit and apples may yet be scarce this fall.

Mrs. Jacob Larly, we are glad to note, is improving after a protracted illness. Also Mrs. Evaline Marks, widow of the late John Marks, Sr., is walking about the house.

Plenty of rain just now, which is good for our meadows. Throughout the month of May it looked as if the grass would be short, but now the prospect is much better. Too much rain just now, however, would be bad for wheat harvesting.

A series of meetings has just closed at Chestnut Ridge Church, which lasted over three weeks. Revs. C. T. Portine of Belgrade and McClanahan of Desloge conducted the services. It was a glorious meeting, there was a great gathering of souls, and the church was revived, there being twenty-eight additions.

The following were added by experience and baptism: William Porter and wife, Mrs. Emily Ayers, Misses Jennie Ayers, Mary and Lucy Drake, Arthur Ayers, William Hunt, Gus Veager, Ora Reisinger, Wes Chouteau, Charlie Porter, Jesse Cook, Orion Larly and Mrs. May Irving. By letter, Mrs. John Haynes, Grover Horn, J. Horn, Mrs. Charles Horn and Mrs. William Hunt. By restoration, G. W. Burgess, Mrs. Artie Veager, Miss Bessie Veager, Bert Phillips, J. G. Phillips and Charles Horn. May the good work go on. Rev. McClanahan is now conducting a meeting at St. Genevieve church, near Jones, as missionary for the Franklin Baptist Association, and is meeting with great success.

Elder W. H. Hale is still preaching each evening at the Christian church, and has had thirteen additions up to date.

Elder Drenen of Seymour, Mo., will preach at the Christian Church Sunday, July 8th. Everybody is invited to attend.

Miss Myrtle Simpson has returned from a month's visit to relatives in Boone Terre. Miss Birdie Cook accompanied her home for a week's visit.

Our item last week in regard to Mr. and Mrs. John Hill was not published. Visiting friends will take notice that they will be absent from home another week visiting in St. Louis, Carthage and Kansas City.

Wednesday morning, June 20th, when G. N. Baker and his wife arose from bed about 5 o'clock, and came down stairs, they heard a crackling noise as if some one were hitting the house with a switch. Mrs. Baker stepped to the north door of the dining room and looked out, and discovered that the house was on fire above the second floor. Two barrels of water were standing under the eaves and Mr. Baker grabbed a bucket and commenced throwing water on the fire, while Mrs. Baker ran to the barn and rang the bell for help. Several neighbors soon arrived and saved some of the household goods, but quite a lot was burned. This house was an old landmark in this settlement, having been built about sixty years ago, but had several additions put to it since then. Mr. and Mrs. Baker have the sympathy of the entire community, and all their neighbors are helping them, and the work of rebuilding is being rapidly pushed.

Heart Weakness.

Dr. Miles' Heart Cure has made many hearts well after they have been pronounced hopeless. It has completely cured thousands, and will almost invariably cure or benefit every case of heart disease. Short breath, pain around heart, palpitation, fluttering, dizzy, fainting and smothering spells should not be neglected. Take Dr. Miles' Heart Cure and see how quick you will be relieved.

It cannot make a new heart, but will restore a sick one by strengthening the heart nerves and muscles, relieving the unnatural strain, and restoring its vitality.

"I had a very bad case of heart trouble. For six months I could not work. Last July I was plowing corn and feeling bad all day; in the afternoon in plowing one row I had to lay down, or fall down, three times. My heart throbbed as though it would burst through, and I had difficulty in getting my breath. I purchased a bottle of Dr. Miles' Heart Cure, and before I had used half of it I could lay down and sleep all night. Previously I had to get up from five to ten times a night. I have taken several bottles, and my heart is as regular as clock work. I feel like a new man, and can work considerable for an old man, 44 years old."

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

Every Niece and Nephew of Uncle Sam

should be deeply interested in what he has said about soda crackers, because they are the one food with which all of them are familiar.

Uncle Sam has given out figures showing that soda crackers are richer in nutriment and body-building elements, properly proportioned, than any food made from flour.

This is saying much for common soda crackers, and much more for **Uneeda Biscuit**, because they are soda crackers of the best quality. They are baked better—more scientifically. They are packed better—more cleanly. The damp, dust and odor proof package retains all the goodness and nutriment of the wheat, all the freshness of the best baking, all the purity of the cleanest bakeries.

Your Uncle Sam has shown what food he thinks best for his people. His people have shown that they think **Uneeda Biscuit** the best of that food, nearly 400,000,000 packages having already been consumed.
